

# CROP CONNECTION

## EVENT POLICIES

**Table Assignments** We do our best to seat your friends or group together. We specifically prepare every table for each registered cropper and all seats are assigned. Some assigned seats have been prepared to accommodate health or mobility issues. *DO NOT REARRANGE THE TABLE(S), CHAIR(S), NAMETAGS OR SEATING ASSIGNMENTS.* The tables cannot be shifted or moved.

**Children** We love children and they are the primary reason most of us scrapbook. Crop Connection was created to give you an opportunity to escape from the demands of everyday life. In order for us to provide an atmosphere where your creativity thrives, children under 10 will not be permitted at Crop Connection. Children 10 and older must be registered for the crop. You may not bring your child to crop with you and share your table.

**Non-Smoking Facility** The Clyde Muse Center is a smoke free facility. Smoking is not permitted inside or within 50 feet of the building entrance.

**Alcoholic Beverages** Absolutely NO alcoholic beverages may be consumed on the premises. If you are observed consuming alcohol or have it in your possession, you will be asked to leave.

**Foul Language** Foul or vulgar language is not permitted. Remember, you are attending a public event next to people you may not know. If you can't say something nice, don't say anything at all.

**AC/Heat** The temperature at the facility is regulated by the administrative office personnel. Bring a jacket, lap blanket, or a small fan for your personal comfort.

**Music** Crop Connection has always been and will continue to be a music free event. If you would like to listen to music, please bring your personal player with headphones/earbuds.

**FaceTime** Please step out in the lobby to accept or make a FaceTime call. This will allow your tablemates to concentrate on their creative flow.

**Wi-Fi** Wi-Fi is provided by the Muse Center and is very reliable.

**Lamps** The facility lighting is excellent, however, you may bring your own task lighting along with a power strip, extension cord and BLUE painter's tape only.

**Laptops** If you are a digital scrapbooker, bring a power strip, extension cord and painter's tape only.

**Cricut Machines** You may have your Cricut, sewing machines and/or printers at your personal table. **HEAT PRESSES ARE NOT ALLOWED DUE TO THE LARGE AMOUNT OF ELECTRICITY THEY REQUIRE.**

*NO DUCT TAPE ALLOWED. If you leave any sticky residue from taping down your cords, you will be charged a \$50.00 clean-up fee.*

**Door Prizes/Giveaways/Raffle** If for any reason, you are unable to attend, any door prizes or giveaways **WILL NOT** be mailed or given to friends for delivery. You must be present to receive any door prizes or giveaways and/or win the items for our raffle.

**Spray Adhesives** Do not use spray adhesive inside the crop room. You may use the parking lot (away from vehicles) to spray adhesive.
